

Title: Associate Java Consultant

Reports To: Director, Cloud Consulting

CleanSlate is a cloud consulting and software asset management company that uses technology solutions to make our clients great. We are looking to add a Associate Java Consultant to our team. If you are passionate about developing quality solutions and thrive in a fast paced, forward-thinking environment, then this could be the ideal opportunity for you. Because we are a small team, the expectation is that you will bring your development experience as a strength. You will work independently but will have a team of high performers to lean on when necessary.

We are looking for experience with the following:

- Java Enterprise application development experience
- MVC, MVVM and MVP applications and design patterns
- Spring frameworks: Spring MVC, Spring Boot, Spring-WS, etc.
- SOAP and RESTful web services and associated frameworks
- Troubleshooting multiple platform and tiered environments
- Persistent frameworks like Hibernate, MyBatis
- Developing custom SQL and troubleshooting DB performance problems
- Full Stack development including HTML, JavaScript, CSS
- Messaging technologies like JMS (Queues, Topics) and Web Sockets
- Integration design patterns and implementations
- Experience building J2EE solutions for running WebSphere, JBoss, Tomcat, Spring Boot, etc.

Minimum Qualifications

- 1-2 years of Java Enterprise experience
- Bachelor's degree in Computer Science or related field
- 2 years of professional software development experience
- Java Certified Professional (or willing to get within 90 days of hire)

What we have to offer:

- Solid benefits including medical, dental and 401k
- Unlimited PTO
- Fun work environment
- No dress code
- Competitive salary
- Paid technical training and certification
