

TITLE: Sr. Salesforce Consultant

REPORTS TO: Director, Cloud Consulting

At CleanSlate, we are technology experts. We specialize in cloud-based technology solutions for enterprise companies. Our partnerships with AWS, Azure, and Salesforce create exciting work challenges for our staff and create new skill development and career growth. We are currently looking to add a **Sr Salesforce Consultant** to join our growing organization. We need individuals who enjoy working with fast paced, forward thinking teams. If you are passionate about delivering modern cloud solutions, then this could be the ideal opportunity for you.

Interested? We would love to hear from you! If you are a candidate that meets our job requirements, then please email us your resume! TalentAcquisition@CleanSlateTG.com

WHAT WE ARE LOOKING FOR:

- Work with clients to understand their business needs and objectives and assist in architecting Salesforce Solutions with Salesforce engineers and architects.
- Drive consulting engagements in all aspects of assessment or implementation including documentation, Salesforce configuration, solution creation.
- Work with clients to define and design integrations, platform innovations, data quality, automation efforts, etc.
- Work with or perform Delivery Manager function to develop and deploy implementation project plans and ensure projects are delivered on time, on budget and optimize return on investment
- Participate in all aspects of the implementation process which includes collaborative consultation with the client, requirements definition, configuration, unit and integration testing, training and full deployment
- Configuration tasks can include: formula driven workflow, email alerts & templates, new fields, light process builder modifications, approval processes, creation or modification of reports, searches and dashboards to meet client's business requirements
- Conduct consulting sessions over the phone or in-person and document with meeting minutes
- Be a "go-to" resource for specific functional areas for both internal and external users
- Consult and advise clients through the implementation process on best practices that maximize value and return on investment of their solution

MINIMUM QUALIFICATIONS

- 5+ Years Salesforce experience (Sales, Service, or Community Clouds)
- **Salesforce Certifications**
- **2+ years of experience delivering technical projects in a client-facing role**

WHAT WE HAVE TO OFFER:

- Solid benefits - medical, dental and 401k
- Unlimited PTO
- Fun work environment
- Competitive salary
- Paid technical training and certification

CleanSlate is an equal opportunity employer, and we value diversity at our company. We don't discriminate on the basis of race, religion, color, national origin, gender, sexual orientation, age, marital status, veteran status, or disability status.
